

**ABRA, INC (All Breed Rescue Angels)
Dog Adoption Application**

Instructions: Please complete the adoption application and email to ABRAangels@gmail.com. If you have submitted your completed application and have not heard from us within three day's time, please contact us at ABRAangels@gmail.com to ensure your application has been received. We do not adopt out any dog without a completed adoption application and signed adoption contract. However, filling out an application does not guarantee adoption of one of our animals.

Note: All adoptions begin as a 2 week trial adoption which allows you the opportunity to get a feel for your new dog and to make sure he/she is a good match for your family. If you contact us within 2 weeks of the trial start date and inform us that you wish to return the dog, we will take the dog back at our earliest convenience and return your adoption donation fee. If you do not contact us within the first 2 weeks, we will consider the dog officially adopted and your adoption donation fee becomes non-refundable, even if you return the dog at a later date. The *adoption contract applies for the duration of the trial!* Under the trial adoption, you are responsible for the animal identified in the adoption contract.
