FOSTER/VOLUNTEER Application

Foster/Volunteer Agreement (ABRA copy)

By signing this form with a live or electronic signature, you agree to take care of your foster dog through ABRA, Inc. and supply it with fresh food, access to clean water, and house it in your home. You will not engage in illegal dog fighting, training to fight, or baiting other dogs into fighting with any dog you foster through our organization. You understand all dogs are given required vaccinations and will be or have been spayed/neutered prior to placement in a permanent home. You understand shelters, animal control facilities, removal from homes and fosters homes are stressful and that dogs may act in unpredictable manners. Our organization, vets, transporters, and volunteers have no control over a dog’s temperament, personality, or health.

By signing this form with a live or electronic signature, you acknowledge that you are volunteering your time and in no way seek compensation for your services. You are aware that dogs and cats may act unpredictably and you do not hold ABRA, its volunteers, supporters, or adoption hosts responsible for any damage to you, your property, or family accompanying you while attending adoption events or other volunteer opportunities. You understand that though minimal, there is a risk of injury or death.

When fostering, ABRA, Inc. will provide fosters with a bag of food if needed and a crate when requested if supplies are available. It is the responsibility of the foster to reasonably contain their fostered dog while the dog is in their home. If you encounter any problems with the dogs you are fostering, you will report them immediately to the Co-Directors. It may take several days or weeks for a dog to be exchanged and replaced with a different dog. We try to match dogs with fosters and their families, however, you are expected to separate animals if necessary until a dog can be removed from your home.

I understand the above provisions/acknowledge my agreement with these provisions by initialing here: _____ Initials

You will be supplied with a monthly dose of heartworm medication and flea and tick treatment if the dog in your care is in the program for more than 30 days. Any unused medication will be returned to ABRA, Inc.

As a foster, you will commit to ensuring your foster is available for adoption events, as adoption events are the best opportunity for fosters to find a home. We ask that your foster attend one adoption event a month with your foster, but you are not required to stay with your foster.

I understand the above provisions/acknowledge my agreement with these provisions by initialing here: _____ Initials

We cannot exist without dedicated fosters willing to open their homes to unwanted dogs and volunteers assisting at adoption events. Many dogs have faced neglect or mistreatment; others are victims of families moving or incapable/unwilling to care for their pets. On occasion we will switch dogs around in order to provide them with different situations or households to better help them find a permanent home. We are always in need of homes

I understand the above provisions/acknowledge my agreement with these provisions by initialing here.
